Create. Inspire. Achieve.

ENVIRONMENT + SUSTAINABILITY

At Prodigy, we believe that sound business practices with an emphasis on change can lead to a stronger, sustainable and healthier environment. Our goal is to minimize our carbon footprint and safeguard the environment now, and for future generations. Responsible management strategies are crucial to our success and our partners, as we focus our efforts on protecting our planet.

HEALTH & SAFETY

Prodigy's commitment to health and safety is of the utmost importance, especially during these challenging times. We continue to strive for a risk free workplace that benefits everyone and continue to adhere to best practices. We have a duty as construction managers to ensure the overall safety of our staff, clients and the public at all times, through initiatives lead by our National Health & Safety department.

DIVERSITY, EQUITY, INCLUSION (DEI)

At Prodigy, our DEI call to action is embedded in our people and culture. Allowing everyone to bring values and perspectives to the table is a winning strategy that our firm has an obligation to uphold in an effort to promote change. The result of an inclusive workplace is a benefit to our clients and society, and only serves to enhance the communities in which we work.
